About Medical Innovations Patent Mitra

Under the guidance of NITI Aayog, the Indian Council of Medical Research (ICMR) in partnership with Department of Pharmaceuticals (DoP) and with support from Department for Promotion of Industry and Internal trade (DPIIT), facilitates the Medical Innovation Patent Mitra initiative through its Medical Innovations Public-Private Partnership (MI-PPP) Unit. The initiative aims to provide expert guidance and hand-holding support to innovators for patent filings and technology transfer of medical innovations to boost Innovation ecosystem in the country.

Vision

To build a robust and dynamic ecosystem that nurtures innovation, translating biomedical research into practical and tangible solutions that drive transformative advancements in public health across India.

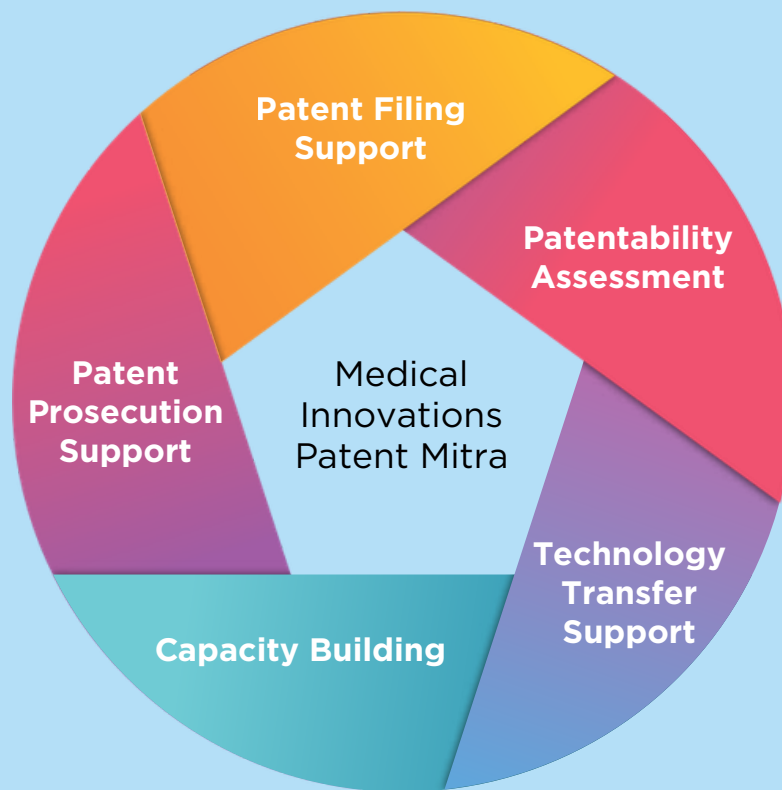

Mission

To support strategic and quality patent filings for innovative biomedical research and facilitating seamless technology transfer to industry for societal impact.

SCOPE

Who Can Apply?

ICMR Intramural Institutes

ICMR Extramural Grantees

Medical Colleges / Institutes

DPIIT Registered Start-ups

Institution-led biomedical innovators

Medical Innovations Patent Mitra offers handholding support to innovators at no cost.

Patent Facilitation

- Patentability Assessment
- Patent Filing in India
- Patent Prosecution
- Patent Maintenance (up to 5 years)

Technology Transfer Facilitation

- Handholding support for Technology Transfer Including:
 - Technology evaluation for readiness
 - Execution of License Agreements
 - Technology Validation Support through MedTechMitra
- National Tech-Summit for wider dissemination & Industry engagement
- Paperless Electronic EoI for Technology Transfer

End-to-end Patent Support at Zero Cost to the Innovators

Early Publication & Expedited Examination

Medical Innovations Patent Mitra is envisioned to complement MedTech Mitra initiative to create a robust ecosystem that supports effective patent protection, analytical and clinical validation, and transfer of technologies to improve public health outcomes.

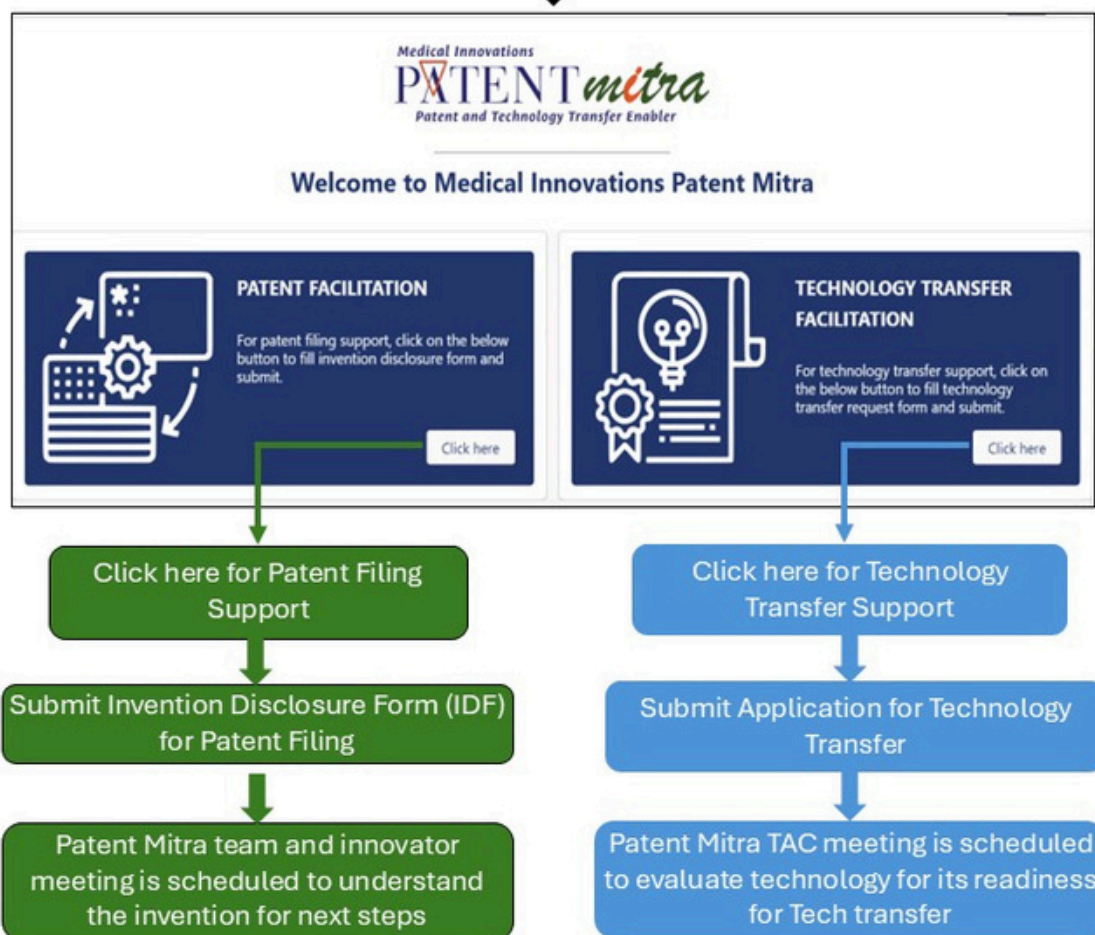

Clinical validation support, wherever required, will be facilitated through the MedTech Mitra initiative.

How to Reach us?

Innovator visits Medical Innovation Patent Mitra website
(<https://patentmitra.icmr.org.in/>) and **register**

After Registration & Login, innovator request for requisite support

For queries reach out to us at: patentmitra.hq@icmr.gov.in
